24 Jan 1969, Same Subject

1. The Security Records and Communications Division has provided the following services and assistance to other Government agencies:

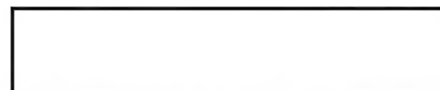

25X1

B. The Security Records and Communications Division has pioneered two major programs in the past several years that are of interest to other agencies in the Intelligence Community. These programs are the automation of the Security Master Index (Security Automated Name Check Activity - SANCA) and the [redacted] Tele-Communications Link. Representatives of most of the Intelligence Community agencies have received detailed briefings on the SANCA system and general briefings on the Tele-Communications System.

25X1A

C. The two IBM 1050 data terminals for the Tele-Communications link are leased, and were funded, by the Agency. Training of [redacted] personnel on the operation of the 1050 equipment is provided by SR&CD.
